

Kootenay Contraption Contest

AT SELKIRK COLLEGE

Calling all kids in grades 2-8! KAST GLOWS challenges you to come up with the most creative, most imaginative "contraption" you can dream up to solve this future problem:

"We hear how automated cars are the way of the future. What do you predict will be the next big automated thing that everyone will rely on?"

To enter: draw your contraption below:

Describe your contraption: How does it work? How does it address the problem?

TEACHERS ARE ELIGIBLE TO COMPETE AND WIN A PIZZA PARTY FOR THEIR OWN CLASS! Use the same form and clearly label as "Teacher" entry.

Email entry by December 9 to glows@selkirk.ca or mail to Selkirk CEWT, 301 Frank Beinder Way, Castlegar, BC V1N 4L3. Or "like" GLOWS on Facebook and post your contraption there.

Grand Prize: iPad Air

Winners in each grade win a pizza party for their entire class!
